Subject: Letter from Keith Barket

Dear Dick,

I cannot continue our arrangement any longer.

I originally said I would agree to a short-term guarantee of 90 days, until Sol could secure a construction loan.

Then, I extended another 90 days which has expired.

I did tell you I would help with a new equity fund participation of one million dollars, assuming the current loan would be paid off in full of the construction loan.

Sincerely,
Keith
